

Isn't your home
worth the best insulation?

CertainTeed CertaSpray™ Foam Insulation.

CertainTeed CertaSpray foam insulation is ideal for complex cavities and small, hard-to-reach areas where air leakage can occur. It improves the overall thermal performance and structural integrity of your home.

If you're concerned about comfort and energy-savings in your new home, CertaSpray foam is your best choice. It provides best-in-class performance from a name you trust for the highest quality building products—CertainTeed.

CertaSpray foam insulation performs like no other insulation. It provides an effective air seal which reduces energy loss and improves indoor air quality. Adds to your home's resale value, too. You can actually feel the difference in your everyday quality of life!

Without proper insulation, you can actually see where air leakage happens in a home, causing drafts and hot/cold spots. CertaSpray foam minimizes air leakage for a more comfortable living environment.

**CERTASPRAY FOAM
ADDRESSES EVERY AREA
OF YOUR HOME.**

CertainTeed 
Quality made certain. Satisfaction guaranteed.™

How can you tell
it's a CertaSpray™ foam home?
Live in it.

Save on your energy bills*.

CertaSpray foam insulation expands to fill every opening that can potentially leak air, resulting in a more energy-efficient living environment; in fact, CertaSpray foam meets the requirements for an ENERGY STAR® Home.

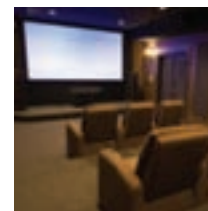

Enjoy cleaner air.

CertaSpray foam reduces the penetration of moisture, outdoor allergens and pollutants that can affect the comfort of your family.

Keep out unwanted noises.

CertaSpray foam helps diminish the sounds from outside (wind and traffic) and inside (plumbing and playrooms) your home.

Boost your home's resale value.

Home inspections and lower energy bills will confirm CertaSpray foam's superior thermal efficiency.

Enjoy comfort and peace of mind.

CertaSpray foam takes care of the drafts or hot/cold spots that can negatively affect your daily life.

All from a company you can trust.

CertainTeed insulation is the choice of building professionals for more than 100 years.

*Savings vary. Find out why in the Seller's Fact Sheet on R-Values. Higher R-Values mean greater insulating power.
