Product Warranty Chart:

- FlintCoat™ A300.....1-½ Gallons 7 Years*
- FlintCoat™ ANF.....1 Gallon 5 Years*

In the event there is a failure of the CT Coating due to a manufacturing defect during the warranty period, CT shall, at its sole discretion, provide the appropriate replacement CT Coating, repair the CT Coating or pay for the original cost of the defective product only, to return the CT Coating to warrantable condition. Note: Repair leaks promptly to avoid water damage, including mold growth.

Exclusions from Coverage

This Limited Warranty does not cover leaks, damages or injuries of any type, including, but not limited to, damage to roof insulation, roof decks or other bases over which the CT Coating is applied and attributable directly or indirectly to any of the following:

1. Damage or leaks to the roof membrane caused directly or indirectly by natural disaster such as falling objects, cyclones, hurricanes, tornadoes, or other winds or gusts exceeding Force 7 on the Beaufort scale, earthquakes, lightning, hail or fire.
2. Damage to the roof membrane caused by, among other things, misuse, abuse, falling objects, tools, foot traffic, additional equipment or sign installation.
3. Damage to the roof membrane caused by clogged drains or lack of adequate drainage that promptly and readily removes water from the roof.
4. Damage due to ponding water (as defined by the National Roofing Contractors Association).
5. Damage to, or failure of, the roof membrane in any manner caused or contributed to by settlement, cracking, warping, expansion, contraction, deflection or other movement of the building structure.
6. Components of the roof system not sold by CT.
7. Mold and other damage caused by water entering building.
8. Any other damage not attributable to a manufacturing defect of the CT Coating.

This Limited Warranty is only applicable when CT products are properly installed according to CT published specifications and label instructions. This Limited Warranty does not cover leaks or damage caused by leaks. This Limited Warranty applies only to materials. This Limited Warranty does not include installation or labor costs. The existing roof deck has not been inspected by CT and is NOT part of this Limited Warranty. CT shall not be liable for any, incidental, consequential or other damages including, but not limited to the loss of sales, profits, rent payments, inventory, equipment, valuables or other monetary losses or damages to the structure or the structures contents, even if the actions or remedies provided under this Limited Warranty do not perform their specified purpose.

Roof Maintenance

This Limited Warranty is not a maintenance agreement or an insurance policy. Routine inspections and maintenance of the roof system must be completed by the Owner on a regular basis and are the Owner's responsibility. Inspections by Owner shall take place at least on a semi-annual basis and shall be documented. Periodic inspections are the Owner's responsibility and shall include such things as making minor repairs, cleaning off debris, cleaning filters and gutters, unclogging drains and removing standing water. Lack of regular maintenance shall void this Limited Warranty. For specific information on roof maintenance requirements please visit our website at www.certainteed.com.

Unapproved Repairs, Alterations, Deletions or Additions

All repairs, alterations, deletions or additions to any aspect of the roof that affects the coating or any material contiguous thereto must have prior written approval of CT's Commercial Warranty Department (CertainTeed Roofing Products Group, Commercial Warranty Department, 1400 Union Meeting Road, PO Box 1100, Blue Bell, PA 19422, (800) 396-8134). If Owner, without prior written consent of CT, makes or permits any repairs, alterations, deletions or additions to the roof that affect the CT coating, all of CT's obligations, duties and coverage under this Limited Warranty will terminate and the Limited Warranty will be voided.

Notice of Claims

Any claim or request for CT to perform under this Limited Warranty must be made by Owner in writing within thirty (30) days of discovery of the defect, and Owner must send proof of purchase and samples that demonstrate the alleged manufacturing defect to CT's Commercial Warranty Department. This notice of claim must include a general description of the alleged defect. Owner shall grant access to the entire roofing system as necessary for CT to investigate the claim. If access is not granted, CT shall have the right to determine, at its sole discretion, that this Limited Warranty is void as to that portion of the roof to which access is denied. Contract or invoice from roofer for service, product or work completed does not constitute Proof of Purchase of CT products. Original Proof of Purchase is required and best obtained from the place of purchase. Copies are not acceptable. Failure to notify CT in a timely manner shall relieve CT of any obligation under this Limited Warranty.

Note: Notice of claim to your contractor does not constitute notice to CT.

In the event an emergency condition exists which requires immediate repair to avoid damage to the building or its contents, Owner may make essential temporary repair(s) performed by a qualified roofer. CT will only reimburse Owner for essential temporary repair expenses that would have been covered under this Limited Warranty.

Transferability

This warranty is applicable to the original building owner only and not transferable.

Condition Pertaining to Limited Warranty Issuance

This Limited Warranty shall only become effective following the complete installation of the CT Coating according to CT published specifications and payment in full to the roofing contractor.

Roof designs, construction plans or installation of the roof system should be approved by Owner or Owner's professional. Any roof inspections are solely for the benefit of CT.
