

Green Approved Product

For

National Green Building Certification

This is to signify that the following products for residential construction

CertainTeed CedarBoards Insulated Siding

Manufactured by

CertainTeed

Have been approved for points toward National Green Building Certification to the ICC 700-2008 National Green Building Standard as shown on page 2 of this certificate.

The NAHB Research Center hereby authorizes accredited verifiers to award these points toward certification when the products are used in accordance with the conditions shown on page 2 and the manufacturer's installation instructions.

This information has been verified by independent third-party testing or evaluation.
