Grand Manor[®] Chestnut

Luxury Roofing Shingles

Elevate your home to a haven of comfort and style with a roof that evokes warmth and timeless charm. Inspired by nature, **Chestnut** captures the essence of autumn. A rich mix of browns and burnt sienna color granules radiate comfort, with the warming tones of roasting chestnuts transforming your home into a haven of calm.

The deep, earthy tones of a fall forest bring an enduring and classic aesthetic to your roof, ensuring your home stands out with a touch of sophistication. Tranquil, solid, enduring protection makes **Chestnut** the natural choice for your new roof.

Authentic Depth and Dimension of Natural Slate

Deep shadows and random tabs are the secrets behind the design genius in **Grand Manor**. The result is a shingle with the incredibly authentic depth and dimension of slate. Our exclusive Super Shingle[®] construction design results in a shingle that, once installed, offers virtually five layers of protection. Made of the industry's most durable roofing materials, you'll have a roof with unsurpassed defense against the elements.
