

Luxury Roofing Shingles

certainteed
SAINT-GOBAIN

The Grand Manor[®] Advantage

Grand Manor, shown in Chestnut

Superior Aesthetics

Why this matters to you:

Grand Manor is a luxurious multi-layered laminated shingle has the incredibly authentic depth and dimension of slate. Our exclusive Super Shangle[®] design, once installed, offers virtually five layers of protection

Proven Impact Protection

Why this matters to you:

We have third party evaluation services regularly monitor product testing to ensure they continually meet all industry standards, including fire classification, wind resistance, impact resistance and physical properties. Grand Manor is Class 4 Impact Rated, the highest rating available by both PRI and UL.

Outstanding Warranty

Why this matters to you:

- Only manufacturer who protects homeowners against ALL manufacturing defects, not just leaks
- Because of our quality, we're able to stand behind our shingles with an industry-leading warranty
- CertainTeed will always be around to protect your home
 - CertainTeed's parent company, Saint-Gobain, has been in operation for over 350 years, bringing dependable and innovative products to customers worldwide
 - CertainTeed has been in the building products industry for 120 years
- Lifetime limited transferable warranty*
- 15-year 110/130 mph wind warranty*
- **StreakFighter[®]** 30-year algae resistance*

Reach out to your local representative for our complete color offering in your region

* See the Limited Warranty for coverage details.

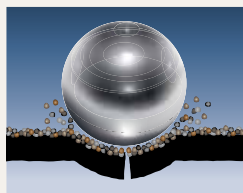

SAINT-GOBAIN

Innovative technologies available in all Grand Manor shingles

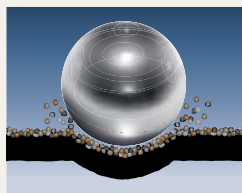

Third-Party Testing

- Class 4 UL 2218 Impact Resistance testing performed with steel balls simulating 90-mph hailstones of varying sizes
- Test evaluates the effect of impact from the steel ball at the most vulnerable locations

Class 4 UL 2218 Impact Test

Standard shingle: cracks and ruptures will appear.

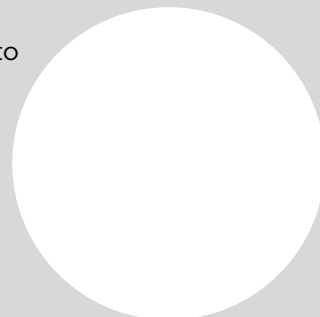

Class 4 rated shingle: no evidence of cracking or tearing is present.

Time-tested Performance

CertaSeal[®]

Uplift Protection

- 20-year record of proven performance against wind uplift and shingle blow-off
- Sealant is engineered to remain flexible, won't dry out and crack

Ultimate Algae Protection

StreakFighter[®]

Algae Resistance

- Technology helps resist algae growth before it can take hold and spread
- Maintains curb appeal and looks beautiful for years to come

Integrity Roof System[™]

- A complete approach to long lasting beauty and performance
- Combines key elements that help ensure you have a well-built roof for long-lasting performance.

We strive for the highest possible content of recycled or bio-based materials in our roofing shingles.
