

RoofRunner®

High Performance Synthetic Underlayment

Brand Your Jobsite

Looking to turn your current roofing projects into personalized billboards for your company?

Promote your business by having your brand printed on rolls of CertainTeed Roofing's RoofRunner® underlayment!

RoofRunner is a lightweight synthetic polymer-based underlayment designed for use on roof decks as a water-resistant layer beneath asphalt roofing shingles. This scrim-reinforced underlayment includes a special top surface treatment providing excellent slip resistance, even when wet.

Customizing RoofRunner with your company brand is a powerful advertising and lead-generation tool, turning each rooftop into a billboard and transforming each passerby into a potential customer.

You brand your uniforms, vehicles, and website — so why stop there?.

Your Company Logo
