

TL-0011 — Shelf Life of Roofing Underlayments

The shelf life of the GRACE VYCOR™ portfolio of asphaltic underlayments (GRACE VYCOR™ ICE & WATER SHIELD®, GRACE VYCOR™ ICE & WATER SHIELD® HT, GRACE VYCOR™ SELECT™, and ROOF DETAIL MEMBRANE) is highly dependent on storage conditions. In general, these products should be stored in their original, unopened packaging at ambient temperatures between 40–90°F (5–32°C) under dry conditions. The GRACE VYCOR™ portfolio of underlayments have optimum initial adhesion to the roof deck if used within one year from the date of manufacture. The shelf life of GRACE VYCOR™ ULTRA™ is two years from the date of manufacture.
