

CertainTeed Corporation ("CertainTeed"), subject to the conditions and limitations listed herein, warrants to the original homeowner/consumer that the asphalt shingles identified below are free from actual manufacturing defects and will remain serviceable for the length of time specified for the shingle applied.

CertainTeed, at its election, will repair or replace, free of charge, any shingles proven to be

defective during the first year after completion of the application of said shingles, up to a maximum liability which shall be equal to the initial cost of the asphalt shingles and the cost of their initial application, exclusive of costs of flashing and metalwork (and repairs required by defects therein).

Should any shingles prove to be defective subsequent to the first year following completion

of shingle application, CertainTeed's maximum contribution toward the cost of repairing or replacing said defective shingles shall be calculated in accordance with the following schedule, but in the event such cost of repairing or replacing is less than the amount calculated by using the following schedule, CertainTeed shall pay such lesser amount.

Shingle Applied (check one):

Type of Shingle	Warranty Period	Maximum Liability	Reduction Figure	Warranty Transferable to Subsequent Owner

For example, if shingles warranted for 20 years (240 months) should be proven to be suffering from actual manufacturing defects after more than 1 year following application, CertainTeed's total maximum contribution would be calculated by multiplying the number of squares of shingles proven defective by the maximum liability per square for the applicable type of shingle, and by then decreasing the resulting amount by 1/240 for each month of service measured from the date of installation of the shingles to the date when proven defective.

CertainTeed's total liability shall in no event exceed the maximum liability as calculated in accordance with the above schedule. The cost of roof tear-off is not covered by this warranty.

To obtain performance under the warranty the original homeowner/consumer or subsequent owner, if applicable, shall notify CertainTeed in writing of any defect promptly following its discovery, and shall submit with such notice proof of date of purchase and application in order to provide CertainTeed an opportunity to investigate the claim and examine the material alleged to be defective. Any claimed defect for which notice is not received by CertainTeed within the applicable warranty period is not covered by this warranty.

Notification shall be provided to CertainTeed Corporation, 1400 Union Meeting Rd., Blue Bell, Pa. 19422, Attention: Shelter Materials Group, Consumer Service Department. CertainTeed shall then promptly inspect the alleged defect and if such examination does disclose a defect covered by this warranty, shall, within a reasonable time after inspection, either repair or replace the defective shingles (if proven to be defective during the first year after completion of their application), or make the appropriate contribution toward repair or replacement in accordance with the preceding paragraphs.

Transferability

This limited warranty may only be transferred to a subsequent owner of the building if either Hallmark Shingle®, Independence Shingle®, or Horizon Shingle® were applied. Transfer of this warranty shall not renew or extend the warranty term, nor alter the warranty provisions. The subsequent owner shall be deemed the holder of this warranty and shall have the same rights and duties as the original homeowner/consumer.

Limitations

1. CertainTeed shall have no liability under this warranty for:

a. Defects or failure caused by application of the shingles not in strict adherence with the instructions of CertainTeed.

b. Any damage to the shingles caused by lightning, winds greater than 54 miles per hour (SEE REVERSE SIDE), hurricane, tornado, hailstorm, earthquake, fire, explosion, flood, solid objects falling on the roof, or any causes, except for ordinary wear and tear by the elements, not in the control of CertainTeed.

c. Defects or failure of or damage caused by materials used as a roofing base over which the shingles are applied, damage to the roof caused by settlement, distortion, failure or cracking of roof deck, walls or foundation of a building, or by traffic on the roof.

d. Damage caused by alteration after completion of the application of the shingles, whether such alteration be by structural additions, changes, or replacements, or by equipment installation (including, but not limited to, aerials, signs, water towers, fan housing, air conditioning equipment, and television antennas).

e. Damage to the roof due to any cause other than inherent manufacturing defects in the shingles.

f. Any variation in color or shading which may occur due to the positioning of the granules used as the surfacing material on these shingles.

g. If the applied shingle contains self-sealing asphalt strips, and if any of the strips fail to properly activate within the first year following the date of application of these shingles, CertainTeed shall have no liability under this warranty for such defects unless the aforementioned requirements pertaining to written notice to CertainTeed are met, and CertainTeed has been afforded the opportunity to hand seal, at its sole expense, any non-sealing shingles.

h. Fungus contamination, unless the applied shingle was sold as a fungus resistant shingle, in which event CertainTeed will repair or replace only such shingles which are proven to be contaminated with fungus during the applicable warranty period; provided that the cost to CertainTeed of any such repair or replacement shall be calculated in accordance

with the terms set forth herein with respect to CertainTeed's maximum contribution to the cost of repairing or replacing shingles proven to be suffering from actual manufacturing defects.

2. CertainTeed reserves the right to discontinue or modify any of its products, including the color of said shingles, without notice to the original homeowner/consumer or a subsequent owner and shall not be liable to the original homeowner/consumer or a subsequent owner as a result of such discontinuance or modification.

3. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This limited warranty is effective on shingles applied on or after January 1, 1988. This limited warranty is not transferable except as provided in the preceding section entitled "Transferability." This warranty supersedes that written warranty previously issued by CertainTeed coded No. 20-20-618.

4. This limited warranty is expressly in lieu of any other guarantees and/or warranties, oral or written, expressed or implied (such as those made by dealers, contractors, distributors or applicators of the shingles), except that the duration of any implied warranties of merchantability and fitness for a particular purpose that the original homeowner/consumer may have are limited to the duration of the written warranty unless a shorter period is permitted by law. In no event shall CertainTeed Corporation be liable for consequential or incidental damages of any kind, including any damage to the building, its contents or any persons therein. Some states do not allow limitation on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Limited Wind Warranty

CertainTeed warrants that its shingles will resist wind blow-off damage due to wind velocities, including "GUSTS", up to a maximum of fifty-four (54) MPH (Beaufort Scale #9) during the initial five (5) year period following application of the shingles.

If any such blow-off damage does occur during the first five (5) years of service from the completion date of application of the shingles,

CertainTeed will furnish replacement shingles without charge for those shingles damaged. Our five (5) year Limited Wind Warranty does *not* cover the labor costs for removal of damaged shingles or application of the replacement shingles. In the event the shingles involved contain self-sealing asphalt strips, paragraph (g) under Limitations on the front side of this Limited Warranty may apply during the first year after appli-

cation. This Limited Wind Warranty is **non-transferable** unless the type of shingles applied were Hallmark Shingle®, Independence Shingle®, or Horizon Shingle®.

Any costs in excess of CertainTeed's contribution shall be the owners' responsibility through homeowner's insurance, etc.
