InsulSafe[®] XC

Fibre Glass Blowing Insulation

Cover more ground with InsulSafe[®] XC

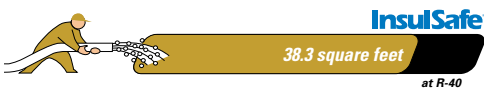

**More Coverage.
Fewer Bags.
Faster Install.**

InsulSafe XC provides 25% more coverage than previous InsulSafe. That means you can cover more ground, with fewer bags and a faster install. It's also non-combustible, environmentally friendly, never settles, and provides both thermal and sound absorbing insulation. So you get more work done, and your customers are more comfortable — which makes it the right choice for everyone.

CertainTeed
SAINT-GOBAIN

The right choice for you – and your customers

InsulSafe XC now provides 25% more coverage.

InsulSafe XC now provides 25% more coverage, so you can use fewer bags to get more coverage—and get your work done faster. InsulSafe XC is one of the most effective and efficient blowing insulations available today— so it's the right choice for you, and your customers.

Fewer bags means higher productivity

With 25% improved coverage, you can use fewer bags to reach your target R-Values faster.

Easy installation

Get on schedule and stay there— InsulSafe XC installs easily with a wide range of blowing machines and settings.

Thermally efficient

Now you can get the same proven R-Value with less bags.

Environmentally sustainable

Lasts for the life of the home to improve energy efficiency.

GREENGUARD Children & Schools CertifiedSM

InsulSafe XC is certified for low emissions of potential indoor air pollutants and is formaldehyde-free.

Won't settle

InsulSafe XC really performs, lasting a lifetime without settling. It's mold resistant, won't rot and has excellent sound control.

Safe

Naturally non-combustible and it is non-corrosive. No flame-retardant chemicals needed.

Lifetime Warranty

InsulSafe XC is backed by a limited lifetime warranty against manufacturing defects.
