Cross Tee

9/16" Wall Angle

The Smoothline Bolt Slot System offers contemporary flair and extended design flexibility. This system complements many of today's modern designs and provides a uniform surface when installed with appropriate Narrow Reveal Edge ceiling panels.

FEATURES & BENEFITS

- Narrow 9/16" (15 mm) face features a 1/4" (6 mm) center regress and is compatible with certain Narrow Reveal Edge panels
- Double web design for lasting durability and strength
- Mitered design on cross tee and main runner intersections produces a clean, continuous slot
- Grid features G30 hot-dipped galvanized steel web construction for corrosion resistance
- Available in standard white only (consult your Sales Representative about custom colors)
- Unique spring-clip joinery for secure install and easy removal
