ONE Precision Assemblies

SAINT-GOBAIN

ONE Precision Assemblies

Customize:

Order complete prefabricated panels that are built to your design and meet local building codes.

Consolidate:

Simplify your project with a single specification and warranty for the entire building envelope.

Control:

Build faster without compromising quality.

Conserve:

Save money and preserve the environment by reducing waste and energy consumption.

Care:

Protect homeowners and the planet with healthy, durable homes.

ONE Precision Assemblies deliver speed, quality, and value from the trusted leader in building solutions. Using the latest advances in building science, system design, materials engineering, and prefabrication technologies, we offer complete wall, roof, and floor panels precisely manufactured to your exact building design. We custom build your panels in a few weeks, then deliver and install them onsite in as little as one day.

Accelerate your next build with ONE Precision Assemblies.

Precision manufactured wall, roof, and floor panels.

Made to your building design and local building code.

Siding, Roofing, Insulation, Moisture Management, Structure, and Interior Gypsum finishes - all optimized for performance and speed.

Electrical and Plumbing run onsite within included service channels.

A proud member of the National Association of Home Builders.

Member

Performance Core

- R-20 to R-60 Thermal Performance (depending on needs)
- Advanced moisture management, including Smart Vapor Retarder
- Reduces energy consumption while minimizing opportunities for mold growth

Finishes Options

- CertainTeed's industry leading Monogram vinyl siding (trim installed on-site)
- CertainTeed Landmark or Landmark Pro roofing (installed on-site)
- Gypsum interior finishes (standard or pre-finished "Shiplap")

ONE Precision Assemblies

Quality Made Certain, Satisfaction Guaranteed.

Our motto rings true today as it did over 100 years ago.

Now with **ONE Precision Assemblies**, we are expanding the quality and performance of the industry's top construction materials to the full building. From siding to drywall, and everything in-between, see how **ONE Spec** from **ONE Manufacturer** with **ONE Warranty** enhances your speed, performance, and simplicity.
