

Frameless wall panel with fully painted edges features outstanding sound absorption.

### FEATURES AND BENEFITS

- Reduces echoes and improves speech clarity within a room
- Endless design possibilities with different formats and colors to create various patterns
- Quick installation with two options to fix panels to the wall
- Frameless panels with fully painted white or gray edges
- Smooth, Texona fabric surface is available in a variety of colors
- Reveal edges painted; trim edges primed
- Texona surface supports UV curable ink-jet printing of images (by a professional printer)
