# Any way you look at it, this roof is a stopper.

If it's not a standard-issue home, why should it be outfitted with a basic flat-looking shingle? Some roofs definitely deserve to be finished in Firehalt.™

The three-dimensional style and double-layer construction turn conventional lines into distinctive declarations. And the upgraded protection declares that the family is valued as much as the home.

## Protect yourself.

Be sure to ask your roofing contractor for a copy of the CertainTeed product warranty or call the CertainTeed Consumer Hotline at 800-782-8777 to request a copy. ## Integrity Roof System.™ Give your home the best protection.

### WinterGuard™

Waterproofing underlayment prevents leaks caused by ice dams and wind-driven rain in vulnerable areas.

### Roofers' Select™

High-performance underlayment is a secondary barrier against leaks for the entire roof.

### Shingles and Accessories

High-quality shingles are covered by one of the best warranties in the business. Accessory products—starter course, and hip and ridge cap shingles—complete your roof from start to finish.

### Ventilation

Proper attic ventilation improves air circulation.
