MATTERHORN PROFILES

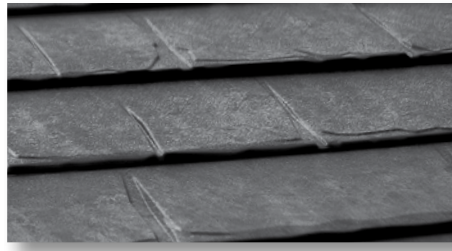

Shake

Expertly designed to capture the character of real wood in the form of protective steel, Matterhorn Shake's stylized chiseling and cracks create eye-appealing texture and dimensionality.

Key Features:

- Available in 4 CRRC rated, Title 24 compliant cool roof colors
- 50+ Year Life Span
- Algae Resistant
- Concealed, secure fastening system

Slate

Lightweight and durable, Matterhorn Slate's patented paint system captures the timeless, natural beauty of mottled stone. Available in five colors, this innovative roofing provides the architectural look of slate without the need for upkeep.

Key Features:

- Includes 2 CRRC rated, Title 24 compliant cool roof colors
- 50+ Year Life Span
- Algae Resistant
- Concealed, secure fastening system

Tile

We went to great lengths to replicate the charming allure of clay, and the end result is a convincing interpretation of real tile forged in steel. Our most diverse metal line, Matterhorn Tile is available in eight dynamic colors.

Key Features:

- 8 colors, **all** are CRRC rated, Title 24 compliant
- 50+ Year Life Span
- Algae Resistant
- Concealed, secure fastening system
