Architectural Accuracy

Restoration Classic siding panels are designed with historical architectural accuracy in mind. Each profile offers the traditional styles with European roots: the clapboard style is the most traditional found in most parts of the United States and the dutchlap style provides strong shadow lines and highly popular in the Mid-Atlantic region. Restoration Classic is excellent for remodeling an older home or creating a traditional look for a new home.

Long-Lasting Colors

PermaCOLOR™ System assures color performance, resistance and durability. Utilizing the newest technology and state-of-the-art formulations, CertainTeed backs their vinyl siding with PermaCOLOR Lifetime Fade Protection.
