<b>Product Description</b>	The naturally rustic appearance of Cedar Impressions® offers the look of true cedar shakes without the high cost or maintenance.	The beautiful woodgrain and rock-solid durability combine to make WeatherBoards™ Fiber Cement an increasingly popular siding choice.	The superior insulating performance of CedarBoards™ provides unsurpassed comfort and reduced energy costs season after season, year after year.	As America's most popular siding, CertainTeed's Vinyl Siding Collection offers style, affordability and lasting performance.

\* Relative Installed Cost – Dollar signs (\$) represent the relative values for installed cost (material + labor) of all types of cladding products. One (\$) sign represents the lowest installed cost as compared to six (\$\$\$\$\$) being the highest. Actual values will vary according to geographic region, structure type and complexity of installation. To verify actual costs contact a credentialed CertainTeed contractor.

Relative Installed Cost for other cladding products not listed above:  
 \$\$\$\$\$ – Brick and Stone  
 \$\$\$\$\$ – Stucco and Cedar Shakes
