Good: Landmark® Solaris

LANDMARK SOLARIS

Classic shades and dimensional appearance of natural wood or slate.

Better: Landmark® PRO Solaris

LANDMARK PRO SOLARIS

Landmark Pro is a heavier weight laminate designed specifically for the professional roofing contractor that takes pride in providing more to their customer.

Landmark Pro improves upon the CertainTeed Landmark shingle, a leading consumer publication’s “Best Buy” for the past five years.

PRESIDENTIAL SHAKE SOLARIS

Presidential Shake is a solar reflective asphalt roofing that is designed to replicate the look of authentic wood shakes, delivering the charm of hand-split wood shakes with durability and strength that outperforms wood.

The rich mixture of surface granules adds a new dimension to the shingle.
**LANDMARK SOLARIS PLATINUM**
With Landmark Solaris Platinum, you get a fresh, bright color palette but with an industry-leading solar reflectance value of over 40%.

**PRESIDENTIAL SHAKE TL SOLARIS**
The rustic authenticity of our Presidential Shake TL shingles with the added strength of triple laminate construction.

**LANDMARK TL SOLARIS**
The depth and protection of a tri-laminate shingle.

**MATTERHORN Metal Roofing**
Matterhorn metal roofing replicates the charm of classical roofing materials with lightweight steel achieving exceptional wind/hail resistance and solar reflectance.

The Heat Reflects Away, And Your Home Stays Cool.

The CertainTeed Cool Roof Shingle Collection is a brilliant breakthrough that puts cool roof technology to work for you. Plus, our palette of rich, authentic colors makes it an easy choice for eco-friendly living.

The secret is in CertainTeed’s advanced roofing granules that reflect solar energy and radiant heat far better than traditional roofing shingles, reducing your roof’s temperature in the summer. Choose from three spectacular solar shingle line-ups.

**Good:** Landmark Solaris

**Better:** Landmark Pro Solaris and Presidential Shake Solaris

**Best:** Landmark Solaris Platinum, with an industry-leading solar reflectance value of over 40%, Presidential Shake TL Solaris, Landmark TL Solaris and Matterhorn metal roofing.

CertainTeed Cool Roof Shingles are ecologically smart, beautifully durable, and architecturally ideal for sunny climates or anywhere solar heat is a challenge.

So cool, it’s rated for rebates.

CertainTeed Cool Roof Shingles are rated by the Cool Roof Rating Council (CRRC) for cool roofs and can be used to comply with the 2016 California Title 24 Part 6 Cool Roof Requirements.

CertainTeed Cool Roof Shingles may qualify for credits/points in LEED®, NAHB® and other “green” programs.

And some utility companies offer a rebate for CertainTeed Cool Roof Shingles that can put as much as $600 back into a homeowner’s pocket for an average 3,000 sq. ft. roof.

Some CertainTeed Cool Roof Shingles are also ENERGY STAR qualified roof products that meet both solar reflectance and thermal emissivity requirements.

Exceptional Protection, No Matter The Project

CertainTeed offers options in the GOOD, BETTER and BEST tiers that will fit your needs and exceed your expectations.

**Good:** Landmark Solaris

**Better:** Landmark Pro Solaris and Presidential Shake Solaris

**Best:** Landmark Solaris Platinum, with an industry-leading solar reflectance value of 40%, Presidential Shake TL Solaris, Landmark TL Solaris and Matterhorn metal roofing.
