

TERMINUS FIN PERIMETER TRIM

Wall Angle & Terminus Trim

Fine Perimeter Trim provides a unique architectural cloud trim solution for edge termination of suspended ceiling elements (clouds, peninsulas, transitions to drywall).

FEATURES AND BENEFITS

- For use with acoustical lay-in ceilings, Fin Trim offers an alternative aesthetic to traditional straight edge trim
- Constructed with sturdy extruded aluminum
- Double grooved channel for additional strength
- Factory-mitered corner kits available
- Available in Standard White and Black. Additional color options are offered through our Post-Paint process. See the Visual Options - Suspension Systems page for color option details.

For Special color options, contact your local sales representative.

The colors shown have been reproduced with all the fidelity possible with commercial printing processes. Also, a specific color may appear different on one class of product than another.

When placing an order for either Standard or Special colors, please use the following naming process preceding each catalog code:

- Standard face paint: ST + 3-letter color code
- Standard 360 paint: 3T + 3-letter color code
- Special face page: SP + 3-letter color code
- Special 360 paint: 3P + 3-letter color code
