

# WARM AND INVITING

Colors like red, yellow and brown are a good choice when you want to highlight distinctive exterior features. These warm tones evoke the glow of summer and give your home a welcoming feel. Monogram blends and Cedar Impressions Ageless Cedar™ color blends are available in these tones, calling to mind the natural beauty of fresh-cut wood. Warm tans and grays make excellent accents. Trim in darker shades (autumn red, terra cotta, mountain cedar) adds a nice contrast.

This home shows warm tones accented with colonial white Vinyl Carpentry trim: Cedar Impressions Double 7" Perfection Shingles in mountain cedar with an accent of Board & Batten Single 8" in natural clay. Finishing the look are Landmark® roofing in weathered wood with stone and metal roofing in complementing warm shades.
