LINEAR PLANKS
Wood Ceilings & Walls

This versatile line of linear planks offers a multitude of finish options and easy installation methods to seamlessly create a continuous, linear visual.

SOLID WOOD SIMULATED FINISHES
Basswood finished to simulate the natural color and appearance of each species for cost-effectiveness and visual consistency

VENEERS AND FINISHES
Plain Slice Veneers
Natural veneers with distinct grains, cathedral arches, and natural variation in color and texture

Reconstituted Veneers
Veneers engineered for visual and color consistency

Bamboo Veneers
Veneers engineered from rapidly-renewable bamboo

FEATURES AND BENEFITS
• Available in a variety of standard, made-to-order and custom-engineered configurations to complement design elements, provide installation options and provide acoustic performance

STANDARD REVEAL OPTIONS
Open Reveal (Felt Reveal)
Closed Reveal

Trim and Trim Accessories sold by the piece and ordered separately as needed for the specific installation and includes the installation accessories as noted.

---

### PHYSICAL DATA

**MATERIAL**

Fire-retardant Particle Board, fire-retardant MDF, or solid basswood; plywood backer (linear modules only)

**SURFACE FINISH**

Clear or tinted topcoat with 20% sheen; flat black plywood backers and acoustical felt

**FIRE CLASS**

Solid Basswood Planks and Modules: Class C per ASTM E84
Flame Spread 200 or less
Smoke Developed 450 or less

Veneered Linear Planks and Modules: Class A per ASTM E84
Flame Spread: 25 or less
Smoke Developed: 50 or less

**SITE CONDITIONS**

Wood panels must be acclimatized for 72 hours prior to installation. Maintain relative humidity between 25% and 55% and temperature between 50°F and 89°F (10°C and 32°C) for the life of the product.

Wood is a natural material with varying grain and color characteristics. Characteristics may vary from panel to panel.

**SEISMIC RESTRAINT**

See installation instructions for seismic area installation information.

**WARRANTY**

Full warranty information available at CertainTeed.com/ceilings.
