Surfaced with Mineral Granules; CAN/ULC S107-M87, Standard
Methods of Fire Tests of Roof Coverings.

Additional Information:

See the UL Online Certifications Directory at
www.ul.com/database for additional information

Only those products bearing the UL Listing Mark should be considered as being covered by UL's
Listing and Follow-Up Service.

The UL Listing Mark generally includes the following elements: the symbol UL in a circle:  with the
word "LISTED"; a control number (may be alphanumeric) assigned by UL; and the product category
name (product identifier) as indicated in the appropriate UL Directory.

Look for the UL Listing Mark on the product.

CERTIFICATE OF COMPLIANCE

Certificate Number 20130517-R684B
Report Reference R684, April 27, 1971
Issue Date 2013-May-17

This is to certify that representative samples of the product as specified on this certificate were tested according to the current UL requirements.

These products are manufactured by CertainTeed, By Bird, Incorporated d/b/a CertainTeed or by GS Roofing Products, Inc. d/b/a CertainTeed.

These shingles are composed of a glass fiber mat impregnated and coated with asphalt, surfaced with mineral granules.
