WARRANTY

AMERICA'S SHINGLE™

Warranty claims must be sent in writing to the address shown below within thirty (30) days of the occurrence of the defect. Celotex will then evaluate the claim or the transfer request. All warranty claims must include copies of the Celotex Limited Warranty and invoice or contract showing the date of shingle installation and the installed cost. Celotex may require the consumer to submit, at his own expense, sample shingles for testing and/or photographs.

Send warranty claims to: CELOTEX CORPORATION
Director of Quality Assurance
1327 Erie Street
Birmingham, AL 35224 1-800-662-4609

All transfer requests must be made within thirty (30) days of the real estate title transfer and must include copies of the deed, the Celotex Limited Warranty, and a check or money order.
Send transfer request to: CELOTEX CORPORATION
Residential Roofing Product Manager
4010 Boy Scout Blvd.
Tampa, FL 33607 1-813-873-1700

Celotex shall not be liable if information submitted on this form is erroneous, and the terms of this Warranty shall then be void. All information about this warranty must be filled in correctly.

"Limited Warranty"

Over the years, American families have come to trust Celotex to protect what they cherish most: their home and family. We've won the trust of homeowners like you by consistently providing the very best roofing products, both in quality and value. This Celotex Limited Warranty offers the homeowner up to three types of Warranty Protection, depending upon product selection and specified features. The levels of Limited Warranty Protection are:

Celotex Limited Warranty

Our commitment to excellence allows Celotex to warrant to the first consumer owner that its Ambassador Shake™ and Presidential Shake™ shingles will remain free from manufacturing defects during the warranty period shown in TABLE I.

Celotex HomeGuard™ Limited Warranty

Celotex residential roofing products are manufactured to be "The Very Best" both in Quality and Value. As evidence of the trust you can place in the quality of Ambassador Shake and Presidential Shake, Celotex includes the additional assurance of its HomeGuard™ Limited Warranty Protection.

HomeGuard is additional proof of the Celotex commitment to provide American consumers with the ultimate in protection during the critical early years after a new roof has been installed.

If a manufacturing defect is discovered during the HomeGuard Limited Warranty period, Celotex will reimburse 100% of the cost of the shingles and labor (including costs of tear-off and disposal) required to repair or replace the defective product (see TABLE I).

HomeGuard Limited Warranty protection is not pro-rated.

Celotex® FRS® Limited Warranty

Celotex also warrants that those shingles designated as Fungus/Algae Resistant Shingles (FRS®), will remain free from algae and fungus growth which adversely affect overall appearance of the shingles, during the FRS Warranty period (fifteen [15] years).

This Celotex Limited Warranty covers Ambassador Shake™ Shingles and Presidential Shake™ Shingles sold in the United States and Canada.

AMBASSADOR
SHAKE

Ambassador Shake™ Shingle

Lifetime Limited Warranty

Provided Ambassador Shake Shingles have been applied according to Celotex's written instructions for application, Celotex warrants to the first consumer owner ("owner") that the shingles will be free from manufacturing defects during the lifetime of the original purchaser as long as the original owner retains ownership.

property on which the shingles were applied, and that Celotex will repair or replace any shingles proven to be defective under the terms of this warranty.

The lifetime coverage offered by this warranty is for individual homeowners only.

Lifetime coverage is not offered for owners of apartment buildings, condominiums, hotels, schools, cooperative housing arrangements, or if purchased for, or applied on buildings owned by corporations, partnerships, government agencies, trusts or by religious or charitable organizations. For applications such as those listed above, or on any other type of building or premises not used as a residence, the warranty period for Ambassador Shake™ Shingle will be 40 years following the date of application of the shingles and will be prorated as shown in TABLE II.

Such Group or Institutional applications are not transferable.

HomeGuard Limited Warranty – 100% Protection

Celotex Corporation ("Celotex") warrants to the first consumer owner that Ambassador Shake Shingles will remain free from manufacturing defects during the warranty period specified in TABLE I. Under this warranty feature, Celotex, at no charge, will repair or replace, at its option, any shingles it determines to be defective during the applicable HomeGuard coverage period. The HomeGuard period commences upon completion of the original application. Celotex's maximum liability under HomeGuard will be equal to the reasonable cost as determined by Celotex to replace the defective shingles at current value, including labor, roof tear-off and disposal. Celotex will not be responsible for replacement of flashing, metal or related repairs.

HomeGuard protection does not apply when shingles are applied to an insulated roof deck system that is not properly ventilated between the insulation and the decking material to which the shingles are attached.

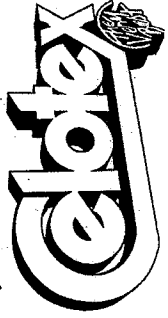

Celotex will reimburse the owner only upon receipt of a copy of a contractor's invoice or other written evidence of the completion of such work which Celotex, at its sole discretion, deems reasonable and proper.

Balance of Warranty – After HomeGuard Protection

If any shingles prove to be defective after the HomeGuard Warranty period, Celotex's maximum contribution toward the cost of repairing or replacing the defective shingles will be calculated by taking the reasonable cost of material required to replace the defective shingles at current value and multiplying that amount by the percentage shown in TABLE II that applies to the number of years of service of the shingles (determined from the date of application to the date when proven defective).

In the event of repair, replacement or cleaning according to the terms of this warranty, the warranty

on the replaced, repaired or cleaned shingles will extend for the remainder of the warranty period in effect at the time the shingles were proved defective.

“Limited Warranty”

Celotex Corporation (“Celotex”), warrants to the first consumer owner (“Owner”) that its family of residential asphalt shingles will remain free from manufacturing defects during the warranty period shown below. In addition to the material defect limited warranty, Celotex warrants that those shingles designated as Fungus/Algae Resistant Shingles (FRS®), will remain free from fungus and algae growth which adversely affect overall appearance of the shingles, during the warranty periods shown in the two paragraphs below titled – **Remedy: FRS Shingles.**

Remedy: First Year

During the first twelve (12) months of the warranty, Celotex will repair or replace defective shingles up to the original cost of the shingles, plus labor to install the shingles (not to exceed the original labor cost). Celotex will not pay costs to tear off or dispose of defective shingles. Flashings, metal or related work are not included.

Remedy: Balance of Warranty

For the balance of the warranty, the repair or replacement cost which Celotex will pay will be reduced by the amount of use received from the shingles. Celotex will pay a percentage of the reasonable roofing repair or replacement cost, not to exceed the original cost of shingles and labor, calculated by multiplying the reasonable costs by the number of months remaining in the warranty period divided by the number of months in the original warranty period. Celotex will not pay costs to tear off or dispose of defective shingles.

Proration Schedule

Type of Shingle	Warranty Period	Reduction
Dimensional®/40	40 Years	1/480 per month
Dimensional/30	30 Years	1/360 per month
Dimensional/25	25 Years	1/300 per month
Storm King/25™	25 Years	1/300 per month
Standard Strip/20	20 Years	1/240 per month
Sol Seal/20™	20 Years	1/240 per month

(The listed products also include Big D™ Storm King/25 and Big D Strip/20 Shingles)

Effective Date

This limited warranty is effective for Celotex shingles sold after May 1, 1997.

Remedy: FRS® Shingles with 3M Algae Block™

Copper Roofing Granule System

For Dimensional®/40 FRS,

Dimensional/30 FRS Shingles – During this fungus/algae resistant warranty period Celotex warrants the above FRS shingles for fifteen (15) years. Celotex will pay to replace

defective shingles based on the amount of use received from the shingle not to exceed the original cost of shingles and labor. Celotex reserves the right to clean the algae/fungus from the shingles rather than to repair or replace them. This Limited Warranty does not cover moss growth.

Remedy: FRS® Shingles using 3M Copper Roofing Granules

For Dimensional/25 FRS, Storm King/25 FRS and Standard Strip/20 FRS Shingles – During this fungus/algae resistant warranty period Celotex warrants the above FRS shingles for ten (10) years. Celotex will pay to replace defective shingles based on the amount of use received from the shingle not to exceed the original cost of shingles and labor. Celotex reserves the right to clean the fungus/algae from the shingles rather than to repair or replace them.

Wind Damage

Celotex warrants that its shingles will resist wind blow-off damage due to wind velocities, including gusts, up to a maximum of sixty (60) m.p.h. during the initial 5 year (60 month) period. All self-sealing shingles must be subjected to warm sunlight for several days before full thermal bonding can occur. Shingles installed in Fall or Winter may not seal until the following Spring. Failure to seal under these circumstances is not a manufacturing defect and Celotex will not be responsible for wind damage until such thermal bonding has occurred.

Celotex will be liable only for the reasonable cost of replacing blown off or wind damaged shingles and manually sealing any remaining unsealed shingles. Celotex reserves the right to repair or replace only those shingles affected.

Transferability

The Dimensional®/40, Dimensional/30 Shingles limited warranty may be transferred by the original owner to the subsequent property owner under the following conditions:

- 1) Transfers **must** be requested, in writing, by the new owner within thirty (30) days of real estate title transfer.
- 2) A copy of the new deed and the original Celotex Limited Warranty **must** be submitted.
- 3) A check or money order for the appropriate fee **must** be submitted.

Note: Fee Equals \$150.00, plus \$3.00 per square (one square equals 100 square feet).

The limited warranty on group or institutional applications is not transferable. (Transferability is not offered to owners of apartment buildings, condominiums, hotels, schools, cooperative housing arrangements, or if purchased for, or applied on buildings owned by corporations, partnerships, government agencies, trusts or by religious or charitable organizations, or for applications on any other type of building or premises not used as a residence.)

Transfer – Months One through Twelve

If a transfer occurs during the first twelve (12) months after application, the normal First Year Remedy will apply. Upon transfer, the new limited warranty term will be ten (10) years from date of original application.

Transfer – Months Thirteen through Sixty

If a transfer occurs during months (13) through sixty (60), labor and material replacement will be prorated according to the schedule. Upon transfer, the new limited warranty term will be ten (10) years from date of original application.

Transfer – Months Sixty-one through Eighty-four

If a transfer occurs during months sixty-one (61) through eighty-four (84), Celotex's liability is limited to the prorated cost of replacement shingles. Upon transfer, the new limited warranty term will be seven (7) years from date of original application.

Limitations of Coverage

Celotex will not be liable for and this warranty DOES NOT apply to:

1. Failure or replacement of any product not applied according to Celotex's application instruction.
2. Failure or replacement of any product used on the roof which was not manufactured by Celotex and is not expressly covered by this warranty.
3. Acts of God, such as hail storms, hurricanes, tornadoes or storms of unusual intensity.
4. Wind velocity greater than 60 miles per hour.
5. Traffic on the roof or damage caused by falling objects.
6. Improper storage or misuse of the shingles.
7. Damage to the shingles caused by inadequate attic ventilation or roof damage. **Ventilation must meet or exceed Celotex requirements printed on each wrapper.**
8. Application of shingles directly to insulation, or to a non-ventilated insulating deck.
9. Damage to the shingles caused by changes made after application, including, but not limited to, structural changes, equipment installation, painting or application of cleaning solutions, coatings or other modifications.
10. Damage to the shingles caused by settlement of the building, movement, buckling or cracking of the roof deck, walls or foundation.
11. Shading or variations in the color of the shingles caused by the natural positioning of the granular surfacing material, or discoloration caused by environmental sooting, algae, fungus or moss growth.
12. Any cost incurred for repair or replacement not authorized in writing by Celotex.
13. Damage to the shingles due to any cause other than manufacturing defects in the shingles manufactured by Celotex.
14. Any damage due to misapplication or failure of materials used as a roofing base.
15. Damages or discoloration due to moss growth.

Sole and Exclusive Warranty

This warranty is exclusive and replaces all other warranties whether express or implied, including the implied warranties of merchantability and fitness for a particular purpose. This written warranty is your exclusive warranty from Celotex Corporation and represents the sole remedy available to any owner of Celotex shingles. Celotex makes no other representation or warranty of any kind other than as stated herein. Celotex will not be liable in any event for consequential or incidental damages of any kind, whether for breach of this warranty, negligence, strict liability in tort or any other cause.

Modification of Warranty

This limited warranty may not be changed or modified. No one, including any representative or employee of Celotex Corporation, has authority to assume any additional liability or responsibility for Celotex in connection with your shingles except as described in this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

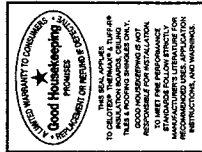

Warranty Claims and Transfer Requests

Warranty claims must be sent in writing to the address shown below within thirty (30) days of the occurrence of the defect. Celotex will then evaluate the claim or the transfer request. All warranty claims must include copies of the Celotex Limited Warranty and invoice or contract showing the date of shingle installation and the installed cost. Celotex may require the consumer to submit, at his own expense, sample shingles for testing and/or photographs.

Send warranty claims to: **CELOTEX CORPORATION**
Director of Quality Assurance
1327 Erie Street
Birmingham, AL 35224
1-800-662-4609

All transfer requests must be made within thirty (30) days of the real estate title transfer and must include copies of the deed, the Celotex Limited Warranty, and a check or money order.

Send transfer request to: **CELOTEX CORPORATION**
