

STANDING STRONG

WITH SUSAN G. KOMEN

We support the Susan G. Komen foundation and its mission to invest in breakthrough research to prevent and cure breast cancer.

In keeping with this mission, CertainTeed's gypsum division has committed an annual financial donation to the Susan G. Komen foundation. Our GlasRoc® Exterior Sheathing product will proudly show our commitment with pink branded board you will see in cityscapes across the United States where CertainTeed GlasRoc Sheathing has been specified.
